

St Georges Church School and Nursery

Newsletter – 10th June 2023

A message from your Headteacher....

Dear families,

I am delighted to be writing my first newsletter in a while after some feedback that they were missed! I really hope that you find it useful and it helps to keep you informed about what we are up to at school on a regular basis. My aim is write to you every fortnight. I will also add this to the Headteachers Blog and eventually Facebook too.

This newsletter is jampacked as there is much to share with you about key developments at St Georges and also looking forward to September.

I would like to thank every single person in our community for their support during my first year as head at St Georges. It has been full on but so rewarding and I am excited about the future for our children and the wider community.

We have much to celebrate this term so please take note of the dates for your diary and I hope we will see you in school for many of these events.

Best wishes for a lovely sunny weekend

Kind regards

Jo Thorn

BWMAT 10 year celebrations

Our Trust is 10 years old next month and there's going to be lots of celebrations. We are hosting 36 schools at ST Georges on Thursday 6th July and attempting to break a record! There will be games, songs and puzzles – hopefully something the children will remember for many years to come

All things are possible for one who believes

Our **VISION**

All things are possible
for one who believes

Our **MISSION**

To create classrooms where
children achieve more than
they think possible

Our **VALUES**

- Community & Friendship
- Respect
- Trust & Forgiveness
- Service
- Thankfulness
- Hope

Our **DIMENSIONS of LEARNING**

MAKING CONNECTIONS

CHANGING & LEARNING

RESILIENCE

STRATEGIC AWARENESS

We use ELLI (Effective Lifelong Learning Inventory) as a platform to help children to understand seven key dimensions of learning:

CREATIVITY

CURIOSITY

LEARNING RELATIONSHIPS

This is our new Vision, Mission & Values. These boards will be displayed around the school as a reminder of who we are and what we want to achieve at St George's. This is a summary of a great deal of work and I think sums up my first year at St George's really well. We now have very strong foundations to build something exceptional!

We are now on facebook. Please be patient while the team begins to use regularly!

Our new website is well underway and although there is still much to update around the curriculum, go and have a look!
