- Provide a safe, secure and happy environment at home where learning (reading to and with, times tables and spelling) can take place.
- Let the school know immediately of any concerns/ worries and changes at home which may affect their child's learning or behaviour.
- Support the school by following the relationships & behaviour policy.
- Attend parents meetings (at least twice a year, three times for pupils with SEND), read and acknowledge any written reports sent home.
- Read all letters and information sent home to ensure they hold all relevant and up to date information.
- Provide feedback to the school e.g. by completing surveys
- Give permission for my child(ren) to have access to devices, the internet and to ICT systems.
- Know that my child(ren) will receive, online safety education to help them understand the importance of safe use of technology and the internet – both in and out of school.
