A note from the Headteacher....

Dear families,

Welcome back to another year! I hope you all had a wonderful summer and enjoyed a bit of sunshine in between the rain.

We have a jam-packed year planned and we are very excited about what's in store. The dates for the whole year have been set so please keep an eye on the key dates in the newsletter and the website is also updated.

As a school we will be focussing on improving writing, maths and subject leadership, all through the new Vision & Values – All things are possible for one who believes – St Georges Citizens | Stewards of the Earth.

We are #stgeorgescrew and to ignite this idea of 'there are no passengers', we are really looking forward to Y1-6 going on outwards bounds trips next week. This will be a chance for everyone to work together, communicate through such adventurous and challenging experiences.

As ever, don't hesitate to get in touch with your feedback and ideas.

Warmest wishes

Jo Thorn

Attendance Matters!

- Young people who regularly miss school without good reason are more likely to become isolated from their friends, to underachieve in examinations and/or become involved in anti-social behaviour.
- Education is not an option – it's compulsory
- Avoid taking family holidays during the school term.
- Do not be afraid to ask for help if a problem arises
- Give your child the best start in life – every school day counts.
