

ST GEORGES PTFA

JULY 2025

OUR MISSION STATEMENT

To raise funds that will enhance the education, surroundings, and overall school experience for the children of St Georges Church School and Nursery.

WHAT A YEAR!

And just like that, another year has come to an end! We have had such an amazing year, with the return of favourite events and the introduction of some new ones! The events have been so well supported by the families of St Georges School and Nursery, which has meant, after costs, we have **raised an incredible £8,500!**

Thank you to every child and family member who has taken part in one of our events, bought an ice pop on a hot Friday, donated a bottle for the Bottle Tombola, bought a raffle ticket, sponsored the inflatable 5K run or even liked or shared our posts on Facebook. **Without your support, we would not be able to achieve our aim** of providing resources to enhance the education and school experience of the children across the whole school and nursery.

WHAT DO YOU THINK?

We are never complacent... we always strive to improve what we do and what we offer.

For this reason, it would be really helpful for us to hear your feedback on our events this year. If you would like to share your thoughts, please complete our anonymous questionnaire by using the link below:

HOW HAVE WE HELPED?

With your support, we reached our goal this year by raising funds to **pay for the second half of iPads for the children to use during lessons!** This is a huge achievement as the PTFA have now fully funded a **whole class set of iPads** in just two years!

In addition to this, we have also...

- **Funded resources to use in Forest School and the pond**
- **Bought resources to support the children's DT lessons**
- **Funded costumes for community dance shows**
- **Secured a grant from Howards Family Charitable Partnership Programme**

Our efforts are now focused toward supporting the playground renovation project. The school have amazing plans for the outdoor space around the school and nursery grounds. The vision involves creating zoned, all weather sports and play areas to encourage our children to get physical, channel their energy and engage more in team games during their free time. This will not only make an impact on their physical health but their mental wellbeing too.

2024/25 EVENTS

What was your child's favourite event this year? Did they have a blast on the dancefloor at one of the discos, flip out with pancakes, overindulge on Wonderlicious chocolate or take on the 90ft inflatable obstacle course?! This year has been packed full of exciting events for the children and their families to enjoy. This is what some of the children had to say...

"I loved dancing to my favourite songs at the discos."

"The Summer Fair was the best because the teachers were helping and everyone was so much fun!"

"I loved the inflatables race at Sports Day!"

"The inflatables were so good at the Summer Fair."

"I can't really choose, they were all so amazing! We did so many things!"

For such a small organisation, we have been extremely fortunate to have received support from a number of local and national businesses.

We would like to say a huge **thank you** to...

Allianz Charity Committee
Court Farm Country Park
Hutton Moor Leisure Centre
Laser Quest, Weston
Mendip Activity Centre
Plaza Cinema, Weston

Rock Up, Weston
Smyths Toys
The Grand Pier
The Outdoors Group
Woolpack Inn

for donating prizes for the **Sponsored Pancake Flip**, **Wonderlicious** event and the Summer Fair **raffle**.

Thank you to **Lloyds Bank Foundation** for supporting our charity through their match funding scheme.

We would also like to say a massive thank you to **Howards Family Charitable Partnership Programme** who have very generously awarded us with a grant of **£1,000** to go toward the playground project.

The partnership programme committee received many applications and were keen to support our school and nursery.
