

ST GEORGES PTFA

AUTUMN 2024

OUR MISSION STATEMENT

To raise funds that will enhance the education, surroundings, and overall school experience for the children of St Georges Church School and Nursery.

AUTUMN EVENTS

We've had a great start to the year! The St Georges Bake Off was incredible! We couldn't believe how many delicious bakes were entered into the competition. Not only was it wonderful to see (and smell!) your creations, they made £300 in the cake sale! Thank you to everyone who baked, donated and bought cakes. What a huge success!

We tried something new this year by having a Christmas disco.... what a fabulous way to get us all into the festive spirit. All the children (and adults!) loved having a Christmas boogie! Coupled with the wonderful wreath making evening, we are definitely feeling Christmassy now! The standard of wreath creations was very high this year... maybe you can see one on a front door near you!

WHAT'S COMING...

We are keen to keep things fresh so we are mixing things up a little this year, whilst keeping some firm favourites.

2025 will see our first **Sponsored Pancake Flip!** Don't worry, no delicious pancakes will be harmed in the making... we shall be using pretend pancakes!

Our **Wonderlicious** event proved very popular so that will be returning at Easter! And it wouldn't be summer without our fabulous **Summer Fair!**

Throw in a couple of **discos** and **cake sales** and that's another year done!

IPADS ALL ROUND!

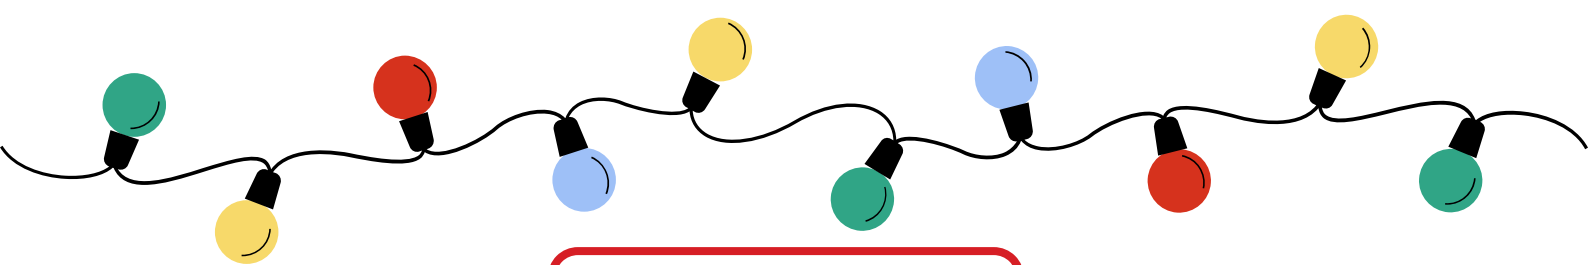

Our aim this time last year was to raise enough money to buy a class set of iPads, meaning that each child in a class can use an individual iPad to enhance their learning! We are thrilled to announce that, with your help, we have managed to **reach our target!**

This is an amazing achievement and we couldn't have done it without you!

For everyone who has supported through baking, donating, attending and helping in anyway you can....

THANK YOU!

SPONSORSHIP

With your amazing support, we make a huge amount of money to enhance our children's education. To host events, there are many costs involved. We were very grateful for the sponsorship we received for our summer fair last year, which made a big difference.

This year we are aiming to receive more sponsorship from local and national companies to keep our expenses down, therefore maximising our profit. If you work for a company who would be interested in supporting a local charity, please contact us on
