

St Georges' Learning Review

Autumn Term 2

WRITTEN BY YOUR YEAR 6 REPORTERS:

**ANTONY BEACHGOOD,
ALILIA BOSLEY AND
SAVANNAH ROWE**

Hello! As we come to the end of a busy and joyful term, we wanted to share some of the wonderful learning and experiences your children have enjoyed across the school. Each class has worked incredibly hard and shown great enthusiasm!

Acorn Class - Nursery

Our youngest learners have been exploring special people in their lives, as well as seasons and weather. They've adapted brilliantly to school life, making lots of friends and enjoying sitting together on the carpet. The children have been most engaged in playdough creations and Christmas crafts, making all sorts of imaginative creatures!

Willow Class - Reception

Reception have loved learning about numbers, phonics, and working together. Outdoor play has been a big hit—especially the mud kitchen, climbing frame, and building with bricks. They've been busy bees making paper chains and playing festive games like Silent Night.

Pine Class - Year 1

Year 1 have enjoyed art, maths, number sentences, and phonics. They've improved their writing by using finger spaces and even learning to write with their left hand! Their hard work shines through in everything they do, especially when working together in maths.

Beech Class - Year 2

Year 2 have loved sticking and using powder paints. They've improved their handwriting by focusing on writing on the lines. Busy bee moments include preparing for the Nativity, making turtles, and helping others.

Juniper Class - Year 3

Year 3 have been fascinated by history, particularly learning about The Iron Age. They've improved their writing by reducing gaps and working on spelling. They've enjoyed working in pairs when learning about hill forts!

Aspen Class - Year 4

Year 4 have enjoyed preparing for the Carol Concert, making bookmarks, and cooking. They've worked hard on times tables and division. Their creativity shone through in making beautiful Christmas cards.

Cedar Class - Year 5

Year 5 have explored drawing techniques, folding, Ancient Greece, and computing (including Blooket!). They're proud of knowing more maths equations than before and have been focused and creative in science and computing projects.

Birch Class - Year 6

Year 6 have enjoyed English writing, P.E. (including Dodgeball), science, and cooking. They've improved the efficiency and quality of their work and were busy bees during the Carol Concert, showing teamwork and dedication.

A Note from our Reporters - Any Feedback Welcome!

Thanks for reading our newsletter! We hope you enjoyed hearing about all the amazing learning happening at St Georges. Until next time...

A Note from Mrs Starr

To our dear families and friends this Christmas,

Thank you for sending your delightful children to us at St Georges. I could not be prouder of what the children are achieving each day and cannot wait to see what the new year brings.

I would like to thank the whole staff team for all the hard work and effort that goes into each of our wonderful learning experiences for the children. Also, thank you to the PTFA for the fundraising and determination to succeed in finding funds to help us improve our offer to the children. They shared with you yesterday the exciting school plans for exciting new trim trail being installed in February. Watch this space!

We understand that Christmas can be a very difficult time for some families and with the news of the sudden and tragic death of Aria, a Year 4 student at a local Weston school. We offer our sincerest condolences to Aria's family, friends and the school community. We understand that this news will be shocking and upsetting for everyone in Weston, and North Somerset as a whole, including students, staff and families of other schools. Losing a young person is a tragedy that impacts us all. If you are struggling this Christmas and need some support there are places you can reach out to including [A Guide to Support Services over Christmas](#) and the Samaritans.

Myself and Charlotte McConnell have both been so very lucky to have lots of experiences with the children this term including a wonderful Remembrance Parade that many parents joined us for; our 1st Rocksteady Concert; seeing all of the children performing on stage in Nativities and Carol concerts; meeting parents at coffee mornings; meeting families at toddler groups; visits to the care home; and it will all culminate in a visit from Santa this afternoon!

Merry Christmas and Happy New Year!

Sarah Starr
